GENERAL DIRECTIONS

To insure proper fit, measure to foot as you work, and make adjustments accordingly.

NOTE 1: When changing colors, always pick up new color from underneath color just used, to prevent a hole.
NOTE 2: Carry yarn not being used loosely along side edge of work.
NOTE 3: Always slip sts as if to P unless otherwise specified. If sl sts occur at beg or end of row when shaping, K the sl sts instead of slipping them.
NOTE 4: To dec a sc, draw up a loop in each of next 2 sts, y o hook and draw through all 3 loops on hook (1 dec made). To inc, work 2 sc in the same st (1 inc made).

FINISHING: Sew Heel Seam and Cuff: Sew up heel on WRONG side from sole edge to top. If cuff turns DOWN, remember to check which is the WRONG side, and sew accordingly. Block seam lightly before sewing into sole.

Sew Socks To Sole: Pin sock to sole by pinning in and out through holes along edge, matching center front and back. Be sure to set sock low enough into sole to give firmness when sewing. Starting at center back, with a long strand of yarn, bring darning needle through sock half-way between 2 holes and then out through next hole all the way around the edge. Reverse and work in opposite direction, by bringing needle through hole and out again between 2 holes, thus forming cross-stitches. You can also use a blanket stitch to attach socks to soles or crochet sock into place, using a Hero No. 1 steel crochet hook and making 2 loose sc in every hole around with a ch 1 after each 2 sc. You can also attach factory knit socks to soles as given above.

WASHING INSTRUCTIONS (Do Not Dry Clean)

Wash like fine woolens, using tepid water and mild soap. Dry away from direct heat. Stuffing lightly with crumpled wax paper as they dry, helps retain fit.

Place sock in sole, matching center front, back and sides, pin evenly. Starting at center back of heel with tapestry needle, bring needle and yarn through sock and hole in the sole. Work around to starting point, turn and work back to starting point creating a cross stitch. This can also be done using a blanket stitch. To crochet, use No. 7 hook and single crochet around the sole.
